3rd January 2013

Dear Ian

I acknowledge the donation of £2,400 from the ticket sales of the Taverham Brass Band concerts in October, Christmas Concerts and the ASDA store collections, thank you. All the concerts were truly dazzling events enjoyed by all.

Please accept our gratitude to the Taverham Brass Band musicians for their support. We brought a number of our disabled passengers along in our mobility buses over the 6 concerts so that they were able to be part of and join in with the festivities. Both they and the volunteer teams wanted me to tell you that they enjoyed the concerts very much.

Yours sincerely,

Jill Gaul
